Spectus Elite 70 Intermediate outerframe with flush casement as standard. Dummy sashes to all non-opening apertures as standard. All drawings are viewed from outside, internally glazed (unless otherwise stated). All sizes include cills, add ons and couplers, indicate ancillaries on sketch, 24mm A rated (black thermal spacer) unless C rated/other colour spacer specified. Georgian and lead layouts must be provided. Astragal bar is factory glazed as standard. Trickle vents if requested will be fitted to the sash unless stated. Monkey tail and authentic dummy stays are available on request. Frames will be joined with a 3mm steel coupler unless stated otherwise. This order is subject to the published terms & conditions of supply (as detailed on our web site).
