

Sliding Patio Doors

SPECTUS PVCu Sliding Patio Door

Universal

TRADE FRAMES LTD

Spectus sliding patio doors are a versatile option and ideal for your Home, conservatory or porch. Sliding patio doors give you an uninterrupted view of your garden and allow natural light to flood into your room. The locking system provides security through outward opposing hooks which prevent the sash being lifted out of the frame.

Key Features:

- 10 Year guarantee
- Available in 2,3 and 4 pane options
- High security 4 hook locking mechanism
- Opposing hooks to prevent leaf being lifted out of frame
- Smooth sliding action, Stainless steel track and wheels
- Purpose designed midrail to accept letterplate
- Available in a range of colours and woodgrain foils
