

Tilt & Turn Windows

SPECTUS PVCu Tilt "n" Turn Windows

Universal

TRADE FRAMES LTD

Tilt and Turn windows are unlike standard windows as they open inwards. The window is incredibly easy to operate, with a 1/4 turn of the handle the window can tilt inwards from the top to give normal ventilation inside then a further 1/4 turn of the handle allows the window to fully open for easy cleaning inside and out.

Key Features:

- 10 Year guarantee
- Opens in for easy cleaning
- Act as fire escape
- Roto's Tilt "n" Turn Hardware for piece of mind
- Easy operation
- Child restrictor option
- Available in a range of colours and woodgrain foils
